POWER TUMBLING

As the popularity and competitive level of cheerleading increases, so does the need for gymnastics tumbling skills. In many cases, tumbling is a prerequisite to making it onto the team. Students attending classes focus strictly on Tumbling - for an entire hour. For many Pop Warner and school cheerleaders, the experience at Walker's has provided that extra "edge" needed to help them stay competitive. Please call for class times.

TUMBLING PRICES	
7 WEEKS	\$84
PER CLASS.	\$12
